Mayor's Greeting

If you love the outdoors, Norfolk is the summer destination you will not want to miss!

Located in Southwestern Ontario, Norfolk County is situated along the north shore of beautiful Lake Erie. Our landscape is dominated by Carolinian forests, pristine farm land, as well as friendly towns and villages. Our beaches and parks are some of Ontario's best and Long Point Bay is famous for its sport fishing. Walking and biking our trail systems and country roads is becoming a major attraction for both residents and guests.

Our County's heritage and culture can be experienced through a variety of special events, summer festivals, parades and theatre.

Taking a relaxing drive through the countryside of Norfolk is still one of my favourite experiences.

This year, a new South Coast shuttle bus service will be operating every weekend from Port Dover to Long Point.

On behalf of myself and Norfolk County council, we welcome you to Ontario's South Coast!

Check us out at www.norfolktourism.ca.

Mayor Charlie Luke

Norfolk County (Population 63,175)

The most popular destinations of Norfolk County are the ports, towns and villages along Lake Erie, known as Ontario's South Coast. These towns include Port Dover, Port Rowan, Turkey Point and Long Point. Wineries and farm markets highlight Norfolk County's status as Ontario's Garden. Beaches, boating, camping, hiking, fishing and festivals are key activities. Agri-tourism is an expanding attraction for tourists coming to Norfolk County, with many wineries, craft breweries and farmgate retailers listed in this publication.

The average high temperature in Norfolk County is 27°C (81°F) in July. The average low temperature is -8.5°C (16°F) in January. Weather forecasts for Norfolk County, including marine weather for Lake Erie, can be found at weather.gc.ca or on Environment Canada's Weatheradio Station at Normandale in Norfolk County, 162.450 MHz. Norfolk County is a single-tier municipality that encompasses all of the former villages, towns and townships within its boundaries, including Simcoe Port Dover, Waterford, Delhi, Port Rowan and other communities. “County Norfolk” 2015

“Norfolk County is part of the World Biosphere. I wanted to portray Norfolk County as a vibrant natural area in touch with nature and modern life. Most of the iconic imagery I employed is easily understood.

I would like to explain the significance of the pair of Hooded Mergansers off Long Point. They are taken from an early painting by Canada’s first artist/naturalist William Pope (1811-1902). Mr. Pope settled in Port Ryerse. He left behind pictorial records of the birds, animals and plants of Long Point and Norfolk County.

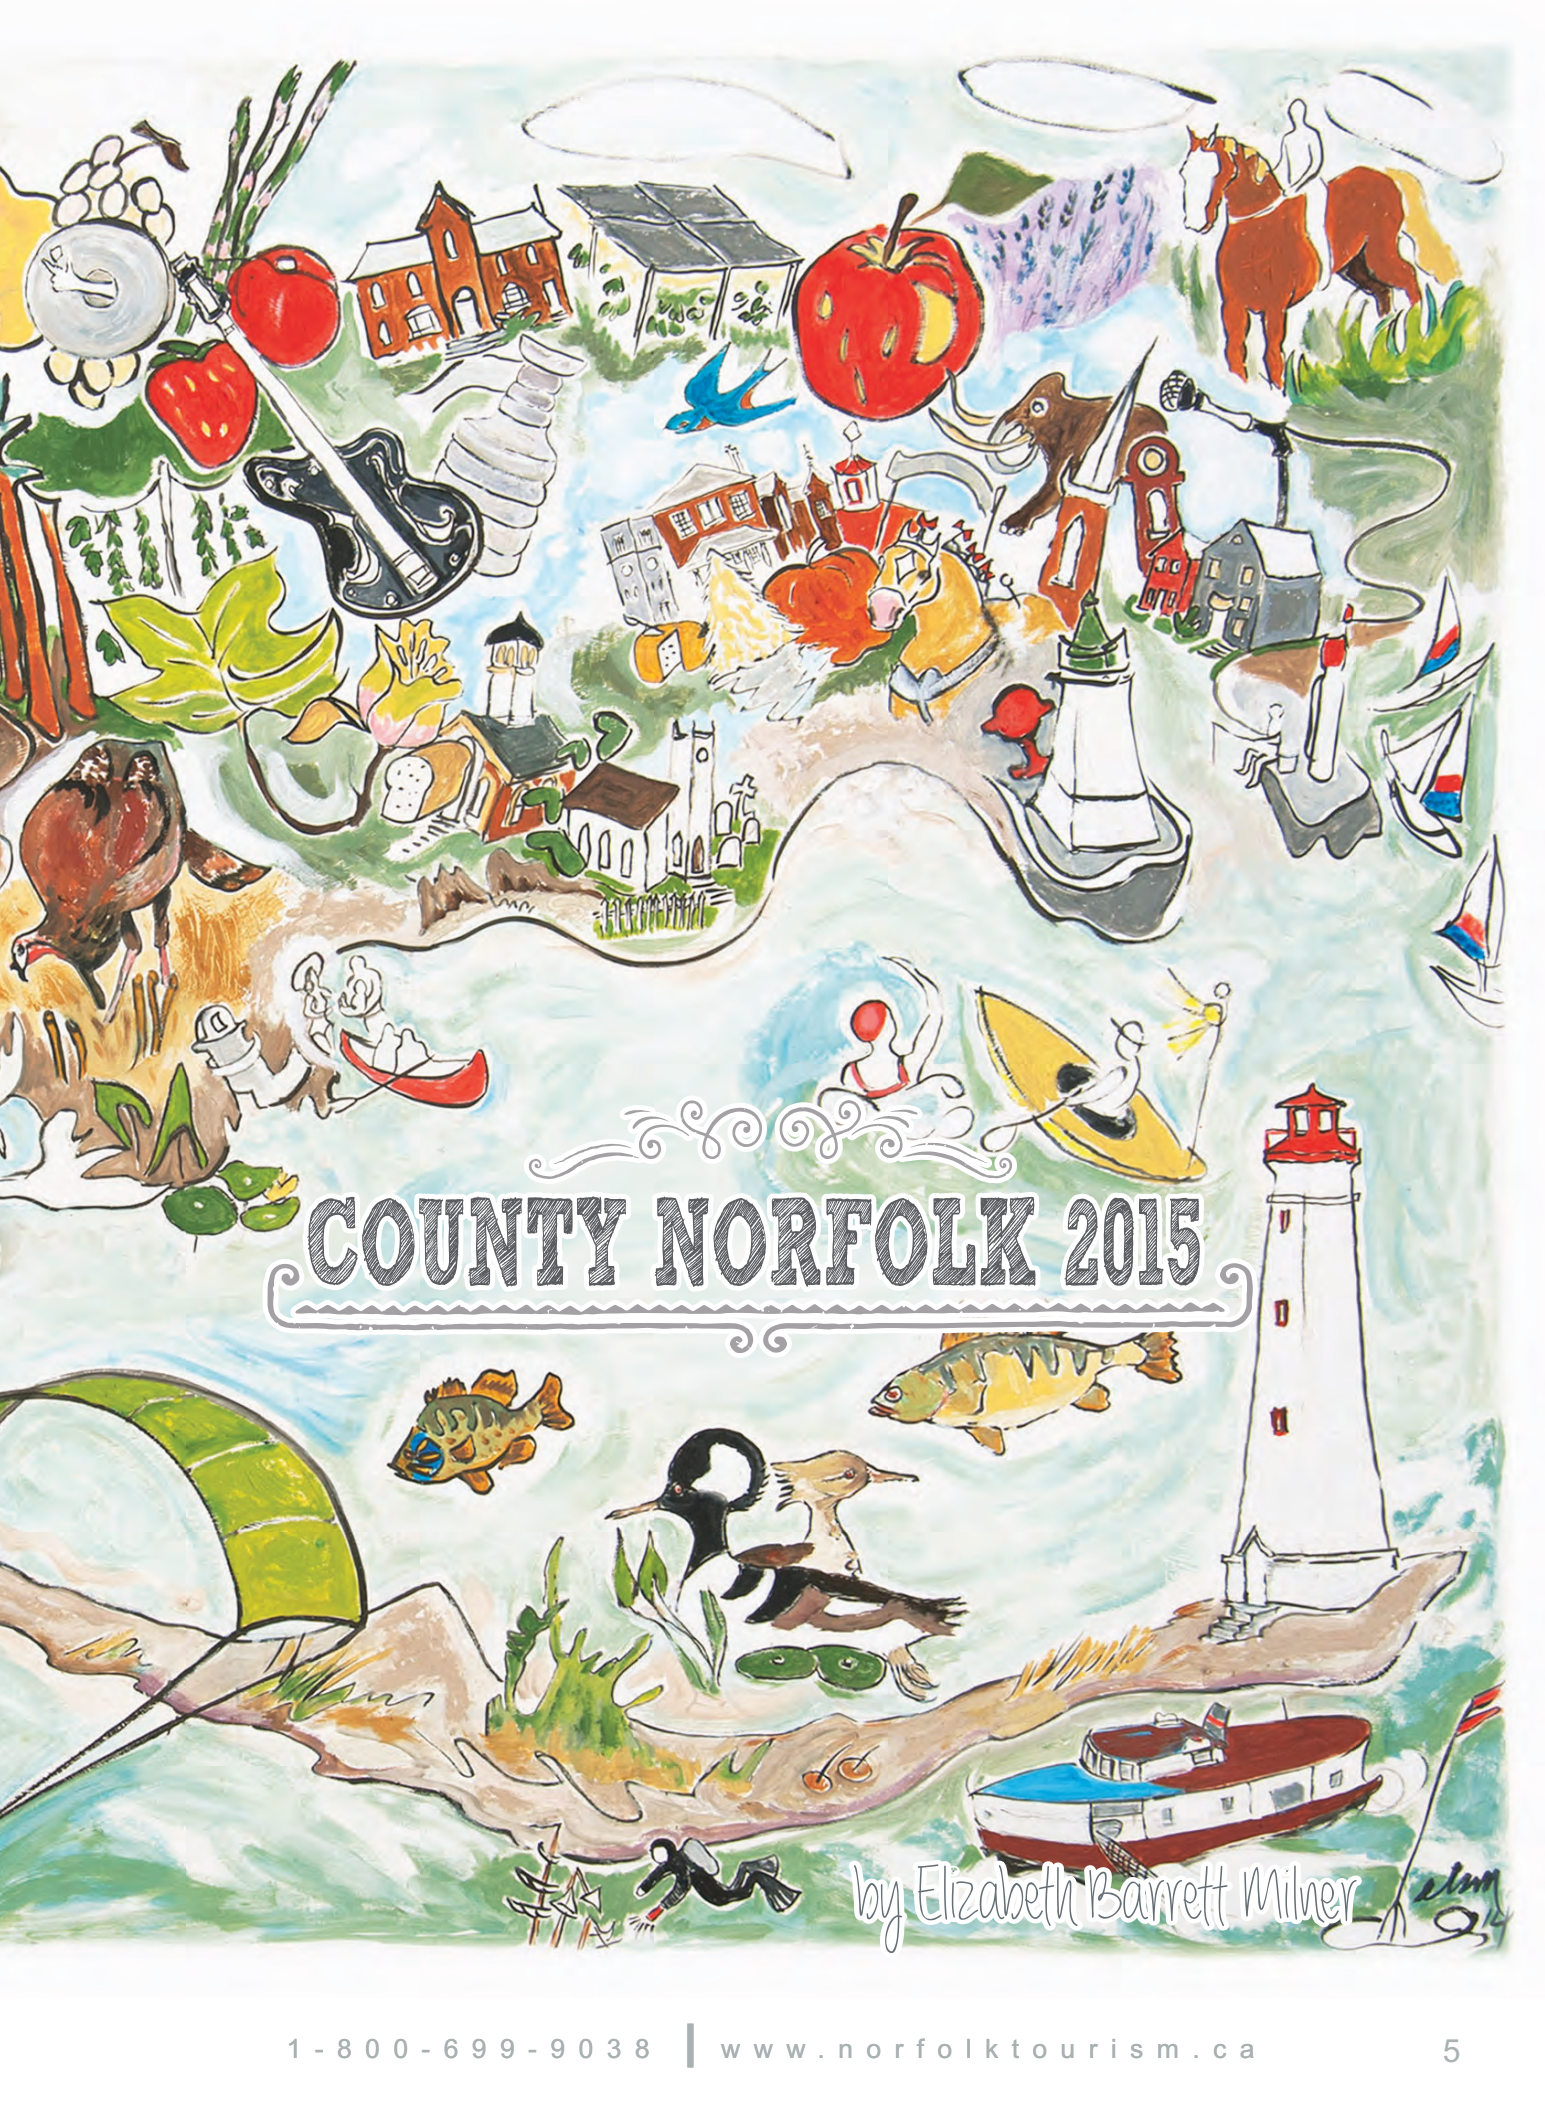

Another image of a schooner is taken from a painting by Alexander McNeillidge (1791-1874). He recorded schooners with cargo that came to Port Dover. Many ships were lost in the lake and today’s divers are discovering these wrecks and treasure. Every year a tall ship comes to Port Dover with student sailors.

The tulip tree leaf and bird represents this Carolinian area that we live in and the largest tulip tree in Ontario is still alive at Normandale.

Through other images I wanted to give a nod to our hockey stars and our vibrant musical community.”

Delhi

(Population 4,172)

GPS N42° 51' 20" / W80° 29' 52"

Delhi boasts a diverse ethnic makeup, bringing many cultures together. Large banquet halls feature dances and events throughout the year. Backstage Capitol Theatre has an impressive line-up of live music concerts. Unique to the town is the Delhi Tobacco Museum & Heritage Centre, which preserves the rich history of the tobacco industry. Delhi also has large warehousing facilities, and a food processing plant. Just north of Delhi is the Ramblin' Road Brewery Farm, making locally brewed ale, lager and pilsner, as well as kettle chips. La Salette Historic Church, also north of Delhi, is a heritage building with a busy concert schedule. Annual events in Delhi include Strawberry Fest (June), Le Tour de Norfolk cycling event (July) and Fall Festival (Sept). More at norfolktourism.ca/delhi.

Long Point

Long Point

GPS N42° 34' 46"/W80° 23' 30"

Long Point was owned by the provincial government until it was sold to the privately held Long Point Company in 1866. A century later, Long Point was designated as a World Biosphere Reserve by the United Nations Educational, Scientific and Cultural Organization. The designation aims to protect this significant Great Lakes coastal ecosystem and the 50 vulnerable, threatened and endangered species that live within it. Norfolk County's Tourism office recommends that tourists should park vehicles at Long Point Provincial Park for the best beach experience. The Ontario Ministry of Natural Resources and Forestry is the steward of the beachfront along the entire stretch of Long Point from the provincial park to the causeway. However, beach-goers in the area outside of the provincial park are asked to respect the property owners who live near the beach. For more tips about visiting Long Point beach, go to norfolktourism.ca/long-point.

Port Dover

(Population 6,387)

GPS 42.4655, -80.1204 / Map F9

Located on Lake Erie, this picturesque port town has an eclectic feel that attracts all ages and walks of life. Savour a footlong hotdog, an afternoon on the beach, fish from the pier or watch the commercial fishing tugs return with their catch. Lakeshore Fish Co. and Lower Lakes Towing are two of the key employers. Enjoy the town's arts and culture – live stage performances at Lighthouse Festival Theatre or step back in time at the Port Dover Harbour Museum. There are more than 30 restaurants – from cafés to fine dining locations

servicing local foods and famous Lake Erie perch. As well, downtown Port Dover has an abundance of shops and boutiques. For outdoor adventurers, the Lynn Valley Trail connects Port Dover and Simcoe and makes for a great hike. Boaters are welcome at Norfolk County's Port Dover Harbour Marina. Annual events include the Polar Bear Plunge on New Year's Day, PD 13 (Friday the 13th)- the largest single day motorcycle rally in Canada (Nov 2015, May 2016, Jan 2017, Oct 2017), Port Dover Perch Derby (Apr-May), Canada Day (July), Port Dover Summer Festival (Aug). (Population 3119)

GPS N42° 56' 05.9" / W80° 17' 28.5"

Waterford is home to tree-lined streets, stately heritage homes, friendly shops, restaurants, businesses and industry. The surrounding area is rich with agricultural crops including ginseng, Canada's largest sweet potato farm, cabbage, maple syrup, lavender and wine. Visitors can enjoy the many exhibits and events at the Waterford Heritage and Agriculture Museum, shows and concerts at The Old Town Hall, and the two-floor Waterford Antique Market. The sparkling Waterford Ponds are popular for swimming, fishing, boating and picnicking. The Deer Park is also a favourite among local families. The Waterford Heritage Trail connects Waterford to Simcoe and Brantford for hiking and cycling. The popular Waterford Pumpkin Festival (Oct) draws thousands of participants. A new dragon boat racing festival is planned for July. Whistling Gardens, Canada's largest privately owned botanical gardens, recently opened in the Wilsonville area, north of Waterford. Springview Farm Golf Course, Villa Nova Estate Winery and Bonnieheath Estate Lavender & Winery are located southeast of Waterford. More at norfolktourism.ca/waterford.

Long Point Bay is a MUST destination for fishing!

You can virtually fish all-year-long.

WINTER...The season starts very early in the New Year with ice fishing, specifically for yellow perch and northern pike. If the ice stays thick, you can see huts dotting the bay for miles.

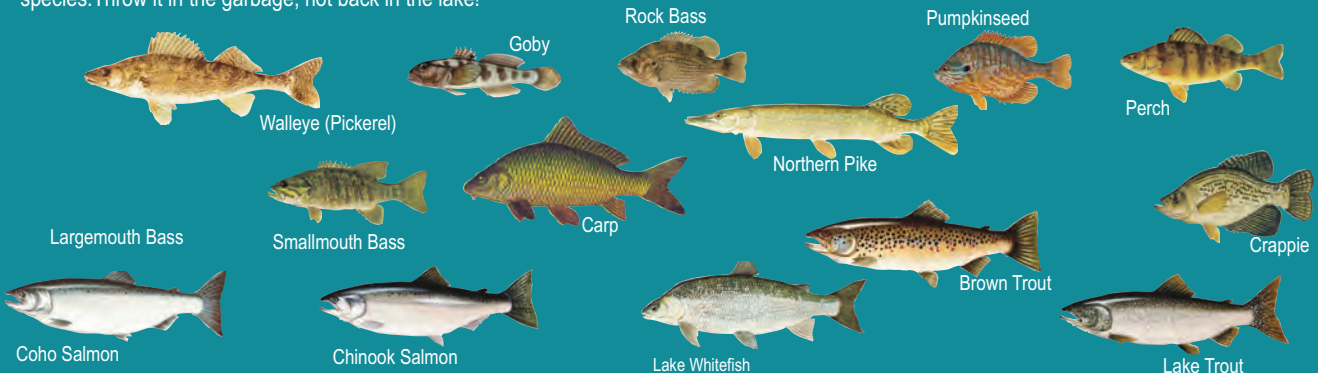

EARLY SPRING...Mid-March to April, as the ice begins to break, spring pike and perch come in abundance.

EARLY SUMMER...May 15th to the end of June almost half of the inner bay is a sanctuary for spawning bass. There is NO FISHING of any kind permitted in the sanctuary, which is clearly marked. But the rest of the bay is great for perch, pike, rock bass, sunfish and crappie.

SUMMER...The 4th Saturday in June BASS season opens! There are as many as 2000 boats in the bay in search of smallmouth and largemouth bass. The reason for being such a popular area is the weed lines and weed patches which attract these species.

LATE SUMMER...During the hot days of August, the large mouth bass is still in ample supply for early morning and late night fishing

AUTUMN...Fishing extends far beyond Labour-Day weekend. Pike and perch are still plentiful and anglers can enjoy less competition in the bay. If you catch a Goby, it is an invasive species. Throw it in the garbage, not back in the lake!

The 2015 Ontario B.A.S.S. Nation Qualifier will be hosted by the Hamilton Bassmasters and Erie Bassmasters.

Aug. 29-30, 2015

Anglers from Ontario B.A.S.S. Nation chapters across Ontario will compete in a two-day event vying for 20 positions to form our very own "Team Ontario". These anglers will represent the best anglers who will represent the OBN at the 2016 B.A.S.S. Regionals against several other U.S. States and other Countries. The 2015 OBN Qualifier will be held on the waters of Long Point Bay and Lake Erie out of Turkey Point in Norfolk County, Ontario. The goal of the organizing committee is to showcase both the Ontario B.A.S.S. Nation and the great area of Norfolk County, Ontario! The 2015 Qualifier will be a unique experience. All weekend events (weigh-ins, meetings, etc.) will be held at the tournament site. The host clubs and local sponsors will be providing a large event tent for all weekend events. In addition to the annual 2-Day Qualifier Event on Long Point Bay, the Ontario B.A.S.S. Nation will be holding its Junior Ontario Championships. Stay tuned for more information on all events in the coming weeks.
