

Note for all tours: Please be ready to leave at 2:30pm

Tour 1: Alberta Food Processing Development Centre

Learn first-hand how the Food Processing Development Centre helps support entrepreneurs in the province by providing them with access to a modern, and fully equipped pilot plant to develop and fine-tune their products. The facility is staffed with experienced food scientists, engineers, and technologists that provide assistance to strengthen and expand the capabilities of Alberta's food processors.

Please note:

- Must print form (found on tour registration page) and bring with you
- No skirts, dresses or shorts are permitted
- Personal protective equipment will be provided upon arrival

Tour 2: Industrial Heartland

A tour of the Sturgeon Refinery will showcase the first refinery built in Canada in over 30 years and the only one with a carbon capture solution from the outset. The refinery is designed to process bitumen feedstock, mainly owned by the Government of Alberta through a royalty-in-kind program, helping to optimize the value of the province's raw energy resources. The ultra low sulphur diesel produced at the refinery has one of the lowest carbon footprints, feeding the demand for cleaner fuels in Canada and beyond our borders.

Tour 3: Aurora Sky Cannabis Tour / Airport - Confirmed

The first part of the tour, Edmonton International Airport (EIA), will offer insight into our air cargo and global logistics services, inbound tourism and retail offerings and emerging sectors that are key drivers for the Edmonton Metro Region economy.

The second part of the tour will be at Aurora Sky. Aurora Sky is the largest fully operational purpose built cannabis facility in the world. Come and see what makes Aurora an industry leader in automation and innovation, giving this company a distinct advantage in the emerging global cannabis industry. Take this brief tour of a catwalk overlooking key production areas of the facility while engaging directly with industry experts to have your budding questions answered.

Please note:

- must wear closed-toed shoes
- must bring photo ID

Tour 4: Alberta Craft Tour

This tour showcases Northern Alberta's first Distillery and one of Edmonton's breweries with over a century of history. Edmonton Brewery Tours takes guests on a journey through Edmonton's thriving craft beer and spirits scene. Discover how passionate tap pullers and a thirst for good beer quickly evolved into a local liquid obsession. As we take you through a journey of breweries and distilleries, you will sample a variety of custom beers and spirits, each with their own unique, local story. Bottoms up!
