Why Film in Richmond Hill?

Richmond Hill's central geographical location within the Greater Toronto Area, variety of filming locations, availability of services in the area, and experience in working with the film and television industry, make Richmond Hill a great place to film. The City combines over 200 years of history and tradition with all the modern services and resources vital for success in today's competitive film industry.

In addition, Richmond Hill is within **ACTRA Toronto** radius boundaries, as well as **NABET 700-M UNIFOR** union boundaries. Any film production can also take advantage of various Provincial and Federal grants and incentives.

During the last several years, many locations in and around the Richmond Hill area have been home to film production, television and commercial shoots. Examples include: *American Gods*, *Baroness Von Sketch*, *Christmas Wedding Planner*, *Darren*, *Dino Dana*, *Falling Water*, *In the Shadow of the Moon*, *Kleenex*, *Knorr*, *Odd Squad*, *The Good Witch*, *The October Faction*, *The Umbrella Academy*, *Where to I Do?*, and others.

Contact Us

"Not only are there stunning locations in Richmond Hill, but the community is excited and proud when a film is being shot here - which is not a feeling generally shared in bigger cities, where a production can feel more like a nuisance. That welcoming feeling just takes a little bit of stress off of our day."

Sean Cisterna, Director (Full Out, Kiss and Cry, From the Vine)
