

Lethbridge

A Bright Choice

For Success

Cardiologist Recruitment

Thank you for considering Lethbridge for setting up your medical practice and relocating to our region to start or continue your career in the medical sector.

Here are the top 10 reasons to practice cardiology in Lethbridge:

1. Patient-Centered Care

You will be meeting the needs of an underserved population in great need of your services. People living and working in southern Alberta will have accessible, high quality, individualized, and informed cardiac care.

2. Ground-Breaking Cardiology Services

Given the recent announcement from Alberta Health Services, work is underway to build a world class Cardiac Sciences Program. You can be part of this innovative venture.

3. Excellence in Care

Our service delivery model is evidence-informed, patient-focused, and life-saving. We will ensure the people we serve will receive access to high quality, effective, and sustainable cardiac care.

4. Harmonious Medical Culture

You will be part of a congenial and collegial medical culture that prides itself on supporting each other. We will work collaboratively to develop programs that will provide excellence in care.

5. Exceptional Education System

Lethbridge offers 2 world class post-secondary institutions, on average graduating over 3,300 students per year. Both public and faith based primary, middle and secondary (K-12) schools are options in the city and region.

6. Affordable Living

Lethbridge has some of the most affordable housing in the country and new developments in each area of the city offer many choices for new homes.

7. Family-Friendly Community

Our community is a place where families of all ages grow and thrive. There are endless recreational and cultural opportunities, exceptional and accessible schools, a first-rate public transportation system, and housing that is affordable and available.

8. Inclusion & Diversity

Lethbridge is a growing community, home to diverse groups of people of all ages and cultural backgrounds, and the surrounding area hosts a large First Nations population. All people, regardless of socioeconomic status, gender, culture, or disability are valued and integrated into the community.

9. Small Town Charm

What really makes our city and region shine is the combination of city amenities, the easy lifestyle it affords, and the sense of community it fosters. With its low cost of living, mild climate, short commute times and wide range of recreation and cultural opportunities, Lethbridge is the place to achieve a perfect balance of work and life.

10. Location & Quality of Life

Sitting an hour from the mountains and the Canada/US Border and just 2 hours from Calgary and an International Airport, Lethbridge offers an urban lifestyle with a small-town feel. A vibrant arts and sporting community, Lethbridge offers something for everybody.
