

# CLEAN ENERGY FRONTIER SUMMIT 2024

BRUCE • GREY • HURON

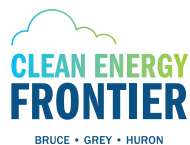

[nii.ca/clean-energy-frontier](http://nii.ca/clean-energy-frontier)

FRIDAY, JANUARY 19

**Clean energy  
lives here.**

The Clean Energy Frontier program is an advocacy, awareness-raising and economic development initiative led by Bruce Power and Bruce County. It focuses on promoting the valuable contribution that Bruce, Grey and Huron bring to Ontario and Canada in the drive towards a net-zero future, while building on the region's advantages in clean energy.
