

Town of Caledon: Proud Host of the 2025 RBC Canadian Open

Overview

Nestled in the heart of Ontario's Greenbelt, the Town of Caledon offers a rare blend of natural beauty, strategic location, and thriving economic opportunity. Located just north of Toronto, Caledon is one of Ontario's fastest-growing municipalities — projected to be home to 300,000 residents and 125,000 jobs by 2051. With a unique mix of vibrant urban villages and scenic rural landscapes, Caledon is where innovation meets opportunity.

Strategic Location

Caledon's location is a gateway for business and tourism alike:

- Easy access to Toronto, Pearson International Airport and major international markets
- Proximity to CN Intermodal Transportation – reaching 75% of North American markets by road and rail
- Over 4 million skilled workers within a short commute

Community Snapshot

- Population: 84,900
- Average Age: 40 years
- Median Household Income: \$141,600
- Post-Secondary Education Rate: 67%
- Total Businesses: 14,403
- New Businesses (2024): 1,321
- 11% job growth between 2022 and 2024

Key Industries

Caledon has a diversified economy with both established and emerging sectors:

- Advanced Manufacturing – 173 companies
- Agriculture & Food Processing – 345 farms and access to 25 agri-food institutions
- Tourism – 600,000+ annual visitors
- Logistics & Warehousing – Over 1,000 companies
- Construction – 654 companies
- Professional Services – 371 companies

Business Support

Caledon's Economic Development Office offers targeted incentives and programming, including:

- Community Improvement Plans (CIPs) with financial incentives and grants for property redevelopment
- Heritage Property Tax Rebates
- [Business Incubator \(in partnership with TMU's DMZ\)](#)
- GreenBiz Caledon (in partnership with TRCA)
- Site selection supports
- Research and data analysis
- Business expansion resources

Collab Caledon & Innovation Hub

At the Humber River Centre, Collab Caledon provides coworking space, business mentorship, and startup supports in a modern, accessible environment — a hub for innovation in the heart of Bolton.

Tourism & Lifestyle

- 185 km of protected trails on the Niagara Escarpment
- Renowned for golf, cycling, hiking, agritourism, and equestrian activities
- Strong arts and cultural community with festivals, galleries, and studio tours
- Among Canada's safest communities with high-ranking schools and excellent healthcare access

The Home for Canadian Golf

In 2022, Golf Canada announced the relocation of its national headquarters to TPC Toronto at Osprey Valley, further establishing Caledon as a premier destination for Canadian golf. Golf Canada's new head office is set to open in 2025, bringing 175 new jobs to Caledon. With the arrival of the 2025 RBC Canadian Open, the world is invited to experience Caledon's natural charm, hospitality, and growing vibrancy.
